IN THE UNITED GRANTES PATENT AND TRADEMARK OFFICE

In re application of:

Cheo et al.

Appl. No.: 09/732,914

Filed: December 11, 2000

For: Use of Multiple Recombination

Sites with Unique Specificity in

**Recombinational Cloning** 

Confirmation No.: 2341

Art Unit: 1636

Examiner: Ketter, J.S.

Atty. Docket: 0942.5010002/RWE/BJD/JKM

## Fourteenth Supplemental Information Disclosure Statement

Commissioner for Patents PO Box 1450 Alexandria, VA 22313-1450 Sir:

Listed on accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98.

The numbering on this Fourteenth Supplemental Information Disclosure Statement is a continuation of the numbering in Applicants' Thirteenth Supplemental Information Disclosure Statement filed February 8, 2005, in connection with the above-captioned application.

Copies of all U.S. Patents, cited on Form PTO-1449 as documents AJ21, AK21 and AA22, are not provided in accordance with 37 C.F.R. § 1.98(a)(2). A copy of each other document is provided.

Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue. Applicants have listed publication dates on the attached Form PTO-1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

Cheo *et al.* Appl. No. 09/732,914

Applicants reserve the right to establish the patentability of the claimed invention over

any of the information provided herewith, and/or to prove that this information may not be prior

art, and/or to prove that this information may not be enabling for the teachings purportedly

offered.

This statement should not be construed as a representation that a search has been made,

or that information more material to the examination of the present patent application does not

exist. The Examiner is specifically requested not to rely solely on the material submitted

herewith.

This Information Disclosure Statement is being filed before the mailing of a first Office

Action after the filing of a Request for Continued Examination under 37 C.F.R. § 1.114, filed

concurrently herewith. No statement or fee is required.

It is respectfully requested that the Examiner initial and return a copy of the enclosed

Form PTO-1449, and indicate in the official file wrapper of this patent application that the

documents have been considered.

The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency,

or credit any overpayment, to our Deposit Account No. 19-0036.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
